

Call for Nominations
For
President and Secretary/Treasurer

Nominations are now open for the President and Secretary/Treasurer. Those elected will have a three-year term of office beginning July 1, 2020 and ending June 30, 2023.

Criteria for office: To be nominated for the position of President and Secretary/Treasurer, you must be a current active member in good standing. The bylaws can be found at: <http://unitedacademics.net/wp-content/uploads/UNAC-Bylaws-Final-Fall-2019.pdf>

Procedure: To have your name placed on the ballot you must obtain the signatures of current active full dues paying union members . Active members are those members who have been active (dues-paying) as of payroll run R24 (ended 11/9/2019). If you do not receive this email contact the Elections Committee member from your university for verification of your voting status. Only active dues paying members get to vote or serve in an elected office position. The form to obtain the required signatures is attached to this email and you may also get a form from an election committee member. An Elections Committee member from your MAU will inform you that your nomination has been accepted and that your name has been placed on the ballot. The results of the election will be made available after the second Monday in February. Previous petitions have on occasion been shown to contain one or more signatures from ineligible members. You are therefore strongly encouraged to obtain more than the minimum number of signatures and thus avoid possible invalidation of your petition.

Deadline: The completed nomination form with the required number of valid signatures (10) must be returned to a member of the Elections Committee **NO LATER THAN 5:00 PM on Thursday January 9, 2020**. This is a firm deadline, as the ballots must be prepared and then immediately distributed to the membership. **YOUR PETITION MUST BE TURNED IN BY THIS DEADLINE.**

Members of the Elections Committee:

UAA: Allan Barnes (Chair), arbarnes@alaska.edu , 907-786-1819
UAA: Stasia Straley, scstraley@alaska.edu , 907-786-4137
